SM 1106

Spanneisenhalter, federnd mit Messing-Feststellschraube Spring clamp holders

Catalog No. **SM 1106** | **D** 22

Stahl, Feststellschraube Messing
steel, with brass locking screw

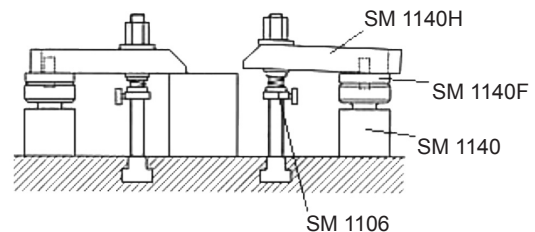

mm

Der Spanneisenhalter stützt das Spanneisen, während das Werkstück auf- und abgenommen wird. Dadurch schnelles und sicheres Entspannen.

The spring type clamp support holds the clamp while the work piece is removed and loaded, ensuring fast and safe clamping sequence.
